

DAY OF YOUR FIELD TRIP: WHAT YOU NEED TO KNOW

On the day of your field trip, please arrive at the Museum's Group Entrance at **2203 W RIVERSIDE AVE** 5 minutes prior to the program start time. Group Entry has bus parking and pull-through space available, and it is where a Museum Educator will be ready to greet your group.

The museum does not allow large backpacks or water bottles inside the museum galleries or Campbell House. We will have storage bins available for your students to keep large backpacks, lunches, and water bottles for the duration of the field trip.

Unfortunately, we do not have space available inside the museum for school or group visit brown bag lunches. You may have your group eat lunch on the lawn in front of the museum, or walk to Coeur d'Alene Park at 2195 W 2nd Ave.

We ask that you please review our Museum Etiquette to ensure a positive Museum visit for everyone:

- Please encourage children to walk, not run, inside the Museum.
- Ask children to use indoor voices.
- Encourage children to stay arms-length away from displays.
- Keep phones silent.
- Leave food, drinks, and gum outside of the galleries and Campbell House.
- Photography of educational programs is allowed unless otherwise posted.
- Photography of exhibits is allowed unless otherwise posted.
- Flash photography is *not* permitted.

We are looking forward to your visit! See you soon at the MAC.
